

**VIEWS AND NEWS**  
 By Roy Medby

SOME one of these times there's going to be a little slip and that appropriate slug line which irrepressible linotype operator Shimmel Miller, who usually sets up this alleged column, boldly substitutes for the Views and News, will get by the proof reader. And then our face will be very red. So will his, now.

\*\*\*  
 THIS DISTINGUISHED looking gentleman came into the office the other day, leaned against the counter and said with an amiable grin, "What do I have to do to subscribe to this newspaper?" The young lady in the office told him, "Just give me your name." We, feeling oatey that morning, added asininely as we went out the door, "and your right one, please." The gentleman had a quizzical twinkle in his eyes as we swept out on the heels of that brilliant little sally. Later we learned that the name of the new subscriber is Senator George M. Maypole of Chicago, who is rather an important gentleman out his way, a big shot of our Vaqueros and one of the town's most popular winter visitors.

\*\*\*  
 FOR YEARS the Palm Springs Field Club has been a private enterprise and privately financed, but operating always for the community's benefit. It was established originally to enable organized presentation of such major community projects as the Desert Circus and annual Rodeo. And it was to be distinctly non-profitable to the directors, or share-holders.

\*\*\*  
 IT CERTAINLY has carried out the original intention in regard to profits. In fact, year after year the owners of the project have had to shell out considerable sums from their own pockets to meet deficits. This last season, for the first time in its history, the Field Club emerged actually showing a considerable profit. The reason was, of course, the astute, efficient efforts of President Earl Gibbs. Gibbs, who has had wide experience with such propositions, applied intelligent business leadership to the organization.

\*\*\*  
 NOW THAT it has been proved the Field Club can be something other than a white elephant, the plan for the city to purchase the property and continue its development as a community enterprise has gained appreciable headway. A tentative plan has been worked out which would not place too great a financial burden on the city. The people who have sunk large sums in the Field Club during past years can not, of course, regain their entire investments. Like other pioneers, in almost all new ventures, they come out holding the sack.

\*\*\*  
 HOWEVER, it unquestionably is true that many of them who have business interests in Palm Springs, have benefited their full share by Field Club activities in the past years. That, and the satisfaction of knowing they have had accomplished something for the town, probably will be their rewards.

\*\*\*  
 IN THE week's mail were gems of inspiration for pleasant reminiscing. There was, for instance, that sprightly note from Jack Schurch, who is back in Chicago but who is bitten periodically by that nostalgic bug. All around the town, in expensive homes, in cocktail places, in hotels, are vivid reminders of the years Schurch put in doing his artistic bit for community betterment—and to put a few nickels in his own pockets, of course.

\*\*\*  
 SO THE OTHER DAY came his note which informed that

**Splendid Color Pictures of Palm Springs Are Featured By Southern Pacific in Intriguing Publication**

About as fine publicity as this desert resort has ever had is given Palm Springs in the October issue of "West," the new pictorial magazine of the Southern Pacific. This latest evidence of Charles R. "Chalkey" Little's interest in the town and proof of his sagacity as advertising agent for the railroad, bears the cover page legend, "WEST visits Palm Springs." The magazine certainly did. All of its four pages, with the exception of one part of the back page which briefly describes Southern California's All-Winter Sun Festival, is devoted to Palm Springs.

**FOUR PAGES OF COLOR**  
 The four pages of pictures are almost all in gorgeous natural colors and the reading matter tells the Palm Springs story in glowing words which must make the chamber of commerce boys flush with pride.  
 The front page is one big color photograph of the Palm Springs Tennis Club pool. There are other excellent shots of the Desert Inn, El Mirador, Racquet Club,

**Expect Thousand Persons to Attend Men's Wear Meet**

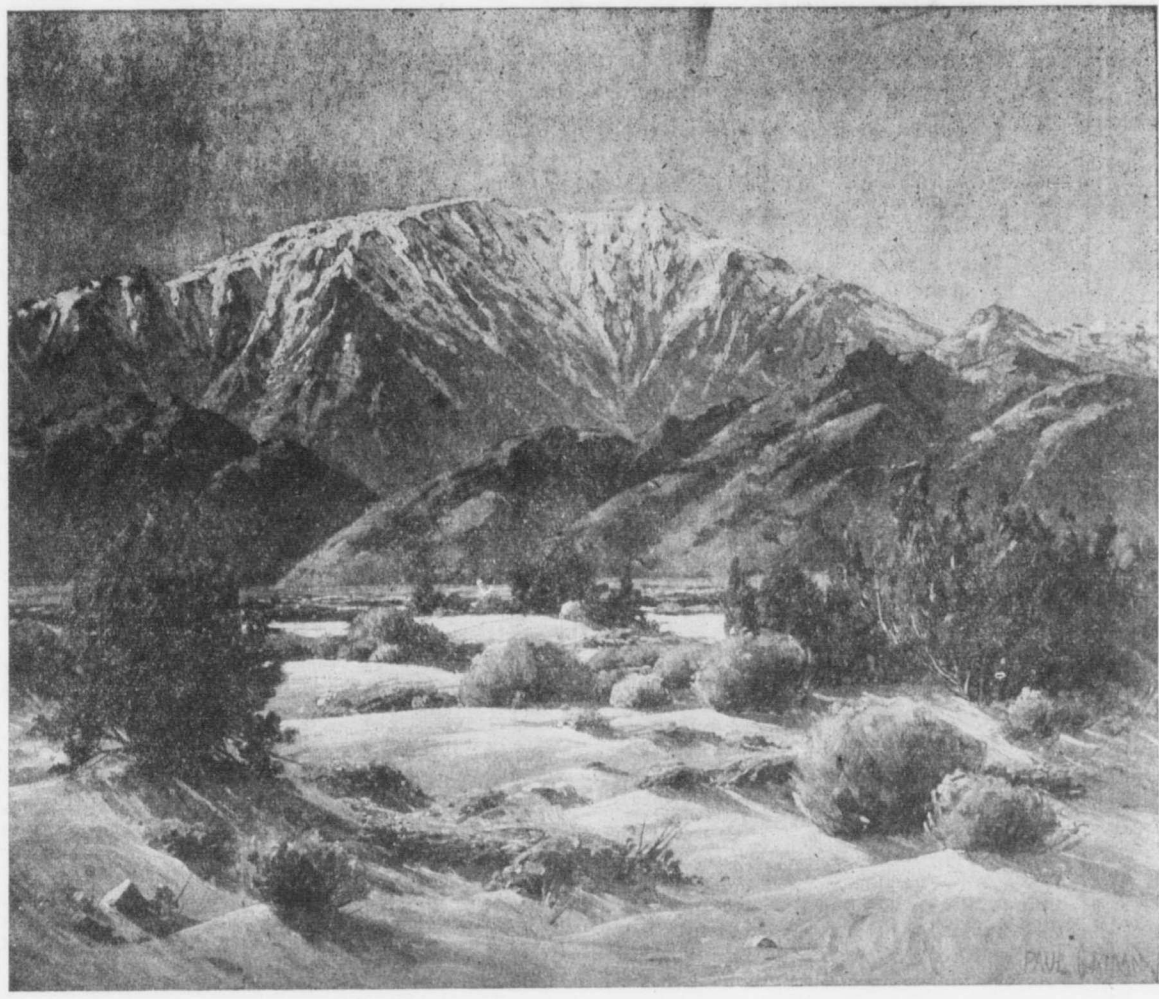

**TOWN MAKES ELABORATE PLANS FOR RECEPTION OF HUGE DELEGATION**

Most important Palm Springs meeting of the year, particularly in regard to number of visitors it will bring to the desert is the spectacular conclave of the Men's Wear Manufacturers of Los Angeles the weekend of January 10 and 11. Although this huge affair, which is expected to bring at least 1,000 people to this desert resort, is several months in the offing, Palm Springs Chamber of Commerce and other officials are starting preparations.

Special trains from New York and Chicago and special airliners from all over the country will bring the 350 men buyers, many of whom will have their families with them. There will be at least 350 representatives from Los Angeles manufacturers and stores, and their wives in addition.

**Sportswear Round-Up**  
 The event is to be called officially the Los Angeles Sportswear Round-Up at Palm Springs and is expected to help considerably.

**WHERE THE DESERT MEETS THE MOUNTAINS**

With flowers bedecking the rolling dunes which stretch to Mt. San Jacinto's edge, the desert is shown in full beauty in this notable canvas by Paul Grimm, famous Palm Springs artist. Together with other brothers and sisters of the easel, Grimm next week will join in the observance of National Art Week. Both at his gallery and the Desert Inn Gallery in the Desert Inn grounds there will be fine art exhibitions. Many of the West's greatest painters will have their canvases on display at the latter gallery.

**Possible Sale of Field Club to City Is Discussed by Directors; Officers Elected for New Season**

One of the most important and ambitious of city projects, possible purchase of the Palm Springs Field Club, is one of the major matters being discussed by the directors of the Field Club at their first meeting of the season this afternoon at 3:30 o'clock at the Desert Inn.

Letters to the directors from Earl Gibbs, efficient, hard-working president, went out the first of the week, impressing on them the importance of today's session. Sale of the beautiful club with its extensive and finely-developed grounds, to the city has been talked about for several years. Now the plan actually is taking form and may prove feasible this season.

**Club In Fine Shape**  
 Another important matter before the directors this afternoon is the election of officers. It is probable that Gibbs, who brought the club out of the financial doldrums last season, will be asked to continue as its head.

This fall finds the Field Club, for the first time in years, on a sound financial basis. In fact it has money in the bank, a condition almost unheard of in previous seasons. With these funds it was possible to have men at work through the summer and as result the club structures and grounds are in splendid condition as the season gets under way. The infield is in excellent shape, the grass good and the entire plant appears more attractive than ever before.

It is believed likely that should the city make a deal to take over the project, Gibbs will be asked to remain in a directing capacity.

**Plaza Theatre To Open Tonight for Sixth Big Season**

Concededly the most beautiful show house in Riverside county, the Plaza Theatre will be opened tonight by Earle Strebe, owner and operator, for the sixth season. Strebe also has the Palm Springs and El Paseo Theatres in Palm Springs and other motion picture houses at Lake Arrowhead and Balboa.

To mark the season's beginning for the handsome entertainment place, Strebe has booked one of the most talked of pictures of the year, Orson Wells' "Citizen Cain." And for ensuing weeks he has lined up some of the finest of motion picture entertainment.

Matinee showings are being started this week at both the Plaza and Palm Springs Theatres. At the latter there will be matinees at 2:45 on both Saturday and Sunday afternoons while at the Plaza there will be matinees at 2:45 on Sunday afternoons only.

**Old Fashioned Dances To Be a Feature at Palm Springs Bowl**

With the old-fashioned dances definitely in high favor in the East, the Palm Springs Bowl is introducing them in a big way to villagers tomorrow (Saturday) evening at the first of the winter series of dances at the Field Club play spot.

Margaret and Lou Anderson are presenting dances every Saturday night at the Bowl and have arranged for the appearance there of popular Bob Croom and his "Western Playboys," one of the best orchestras in this area. Featured too will be the famous Little Bear and a professional caller for the old-fashioned dances. There will be plenty of modern dances of course, to keep all the youngsters pleased. Dancing will be from nine to midnight.

**Committee Chosen To Aid in Navy Recruit Campaign**

That Palm Springs is fully cognizant of need for nationwide support in the campaign to obtain recruits sufficient for a Two-Ocean Navy is shown by the intensification of local cooperation.

Latest evidence of this was the appointment this week of a local committee, with prominent winter resident and Field Club president Earl Gibbs as chairman. This committee is doing everything possible to promote village interest in the drive, such as arranging for speakers at local meetings.

**Hard-Working Committee**  
 Serving on the committee with Gibbs are Mrs. Henry S. Reid, president of the Woman's Club, George Relfe, president of the Rotary Club; Merrill Crockett, head of the Lions Club; John Lange, city manager; Ellis Holcomb, commander of the Palm Springs American Legion post; Francis Crocker, Chamber of Commerce representative; C. V. Knupp and John Holditch, both former Legion post commanders and prominent in its activities as well as local affairs generally.

**Tennis Club Has Formal Opening**

With completion of various improvements which present the establishment in more attractive light than ever, the Palm Springs Tennis Club has its formal opening tomorrow, November 1. At that time the dining room and bar will begin service. Actually the club has been open informally.

**Health Center Due For Council Action At Wednesday Meet**

With the zoning board having already approved three tentative locations, the Palm Springs city council is scheduled to discuss and probably take action on the proposed health center at its next meeting Wednesday evening at 7:30 o'clock. City fathers were supposed to meet this last Wednesday but failed to do so when a quorum could not be gotten together.  
 The three locations now under consideration are the Gray and Gaudiello properties on Indian avenue and the Lawlor property on Belardo Road opposite the golf course. There is strong opposition to the latter choice by nearby property owners.

**Noted Artists Presented by Desert Inn Gallery for Opening Saturday; National Art Week to be Featured**

In recognition of National Art Week, which is from November 1 to November 7, the Desert Inn Gallery will feature a representative exhibit of selected paintings by nationally known artists. It was announced by Harriet A. Day, in charge of the fine local art center. The exhibit begins tomorrow (Saturday) and the day also marks the official opening of the gallery for the season.

National Art Week is set aside by President Roosevelt to stimulate art interest and sales throughout the United States and in Puerto Rico, Hawaii and Panama. It is observed under the auspices for the American Artists Professional League. Artists place minimum prices on their works and local business people are asked to cooperate in exhibiting their paintings and stressing local work.

**Local Painters Exhibit**  
 The Desert Inn Gallery exhibit for the week will include paintings by local desert artists who are showing at the gallery throughout the season. Among these is Agnes Pelton, who is showing for the first time her painting of a magnificent old smoke tree in the early morning light. It is one of her finest desert paintings. Miss Pelton also is showing some of the canvases she did during her summer stay at Idyllwild with mountains.

**Noted Woman Zoo Director Will Address Club**

Famed as the only woman zoo director in the world, Mrs. Belle T. Benchley, director of the Zoological Gardens of San Diego, will speak at the first meeting of the Palm Springs Woman's Club for this season next Monday afternoon, November 3 at 2:30 o'clock at the club house, it was announced by Mrs. Henry S. Reid, president.  
 Mrs. Benchley will relate some of her exciting adventures with dangerous wild animals and reptiles and will give her audience some pointers on how to win feathered friends and influence animals.

**Sheptenko Reports Two Sales In Week**

A sale a week for the past four weeks was not a good enough record for active realtor Pete Sheptenko. He had to top it off with two sales this week.  
 E. E. Kermott of Los Angeles purchased the Carolyn Hawthorne house in the Santa Rosa tract and Al Taylor, owner of the photo shop in the Royal Palms Hotel building, has bought the Etta Walker duplex, also located in the Santa Rosa tract.  
 Sheptenko states his office so far has enjoyed one of its best seasons for sales as well as rentals.

**Big Program Is Proposed For the City**

**PLAN FOR RECREATION DEVELOPMENT GIVEN TO CITY FATHERS**

Under consideration by the members of the city council this week is a notable and comprehensive program for development of city recreation suggested in outline by Dick Taylor, director of recreation.

The plan has been worked out after long and careful study by Taylor, who has submitted it to City Manager John Lange. Lange in turn has presented the program which is, of course, only a suggested plan, to various members of the council.

**Propose Buy Field Club**  
 Highlight of the program, which is designed to be achieved over a period of years, if accepted, is the proposed purchase of the Palm Springs Field Club by the city and the establishment there of a swimming pool with dressing rooms; a picnic area with stoves, sinks and tables; a play area with complete facilities such as two softball diamonds, handball courts, paddle tennis courts, regue, croquet, shuffleboard, volleyball, badminton, cement ping pong tables, rings, bars, merry-go-round, tiny tots' play area with swings, bars, slides, etc.

Another noteworthy proposal is to establish one adult play area in town with quiet games such as, multiple use court for volleyball, badminton and paddle tennis, croquet and shuffleboard courts, two horseshoe pits, two ping pong tables and finally tables under a pergola for cards and games.

**Newsboys Club**  
 Next interesting item is a newsboys club. This would provide one large room for a club room, with facilities for reading,

**Exclusive Shop of I. Magnin Co. Will Open Nov. 6**

Its name lustrous in the smart world of fashion, I. Magnin Company opens its beautiful shop in El Mirador at the same time the great hotel begins its new season next Thursday, November 6. Miss Helen Lindsay, the vivacious, lovely young woman who has been the capable manager for the past seven seasons, returns for her eighth year in that capacity.

The store personnel will be little changed this season, it was disclosed, and the very newest and most interesting creations of the year will be presented. It is understood also, although Miss Lindsay could not be reached as this newspaper issue went to press, that I. Magnin will have its usual fascinating fashion showing in conjunction with the big annual swimming and diving meet at El Mirador pool the weekend of November 15 and 16.

**P. S. Drug to Have Big Annual Sale Of Rexall Products**

Local police lads can expect traffic jams around H. E. "Pat" Patterson's Palm Springs Drug Company next week because that big annual Rexall one-cent sale takes place on Wednesday, Thursday, Friday and Saturday. This really noteworthy bargain event is presented each year about this time simultaneously with all other Rexall stores throughout the country. Exactly the same merchandise will be offered at exactly the same prices as in Rexall stores in New York, Los Angeles, San Francisco and other big cities.

**Jimmy Campbell Is First Local Man to Seek Enlistment in Navy In Response to Nation-Wide Call**

Barely had The Desert Sun opened its offices Monday morning when James J. Campbell, the Jimmy of the contagious smile, who has been a public stenographer and notary public around the village for five seasons, popped in to be the first young man in town to seek Navy enlistment in response to the national campaign for Navy recruiting.

"I saw the proclamation signed by Acting Mayor Raymond Sorum and other information about Navy Day and the campaign for enlistments in The Desert Sun," said Jimmy, "so I decided to waste no time and seek to enlist immediately. It sounds like just

the right thing to me. I feel myself as though it would be a real privilege to get into the Navy."

The Desert Sun and other local agencies are cooperating to the fullest in the campaign for recruits for a two-ocean Navy, the drive beginning Monday of this week. This newspaper is supplied with free illustrated booklets, just received from Washington and these are available to all men interested.

**Wonderful Opportunities**  
 In accordance with the cooperative program Campbell's appointment.

Christian Endeavor  
Meets Next Sunday

By GORDON NICHOLSON

The C. E. group will meet again next Sunday, November 2, at the Community church, to discuss "The Other Side," third of a series of talks given in the belief-ance of Christianity. The meeting will be under the leadership of Ed Bouslough, assistant pastor, and will continue from 7 to 8 p. m. This will give the students a chance to go home and finish their home work in ample time before retiring.

The members, along with the president, Sara McPeak, have given much consideration to the C. E. to make it a good place for young people to meet once a week. It is said that they have really worked out arrangements so the group is an enjoyment for every-one, and interesting.

Ed Bouslough, Miss McPeak, and the members of the organiza-tion, invite their friends, in hope that they will bring others, to come out to C. E. next Sunday for a real good time.

All are invited to the surprise Hallowe'en party on Friday, Oc-tober 31, at the Community church at 5:30. All students must

PALM SPRINGS

(As it looked to a tourist passing through)

A quaint little town by the mountainside  
Out there where the sky expands,  
Palm Springs seems to nestle and cuddle close  
To the desert's warm, white sands.

Its dear, white houses with red, red roofs,  
Their blinds painted green, brown, or gold,  
A patio hiding a heart's romance  
Which perhaps will never be told.

Here Dame Fortune's children romp and play  
And hide from the winter's chill;  
With never a care the whole long day—  
Just to bask in the sun as they will.

Just to lounge about in gray-white sand  
Where the stately cacti grow—  
Here, they choose as they will lovely desert flowers,  
Or mountains peaked with snow.

Here a smart little shop with curios  
There, a tearoom invitingly neat,  
Where one may purchase a chocolate bar  
Or a full course dinner, complete.

Here a shop with gowns for my lady fair,  
A hotel with balconies wide—  
A flourishing, colorful winter resort  
Built right on the mountainside.

The awesome mountains, the azure sky—  
The stately cacti charm the passers-by:  
While the sun shines down on the quaint little town  
As it paints each body a rich, gold brown.

Lads of C-Circle-B  
Club to Have Fine  
Hallowe'en Party

For the younger boys of the town tonight will provide some most enjoyable entertainment. Enterprising Jack Best has ar-ranged a gala Hallowe'en party for some sixty boys of the C-Circle-B club at the A. and F. Stables, formerly the Buckskin Stables, on East Ramon Road.

The boys will first check in at the stables in the afternoon and will then go to the Palm Springs Bowl at the Field Club, where they will be the guests of Mar-garet and Lou Anderson for two hours of roller skating from 3 to 5 o'clock.

Famous Rider Appears

At 5 o'clock they will return to the stables and then the big pro-gram commences. Best has ar-ranged for Bob Hoke, famous cowboy, to appear and do his stuff for the boys. Hoke rode here last year, taking a number of honors. He achieved the all-around cowboy championship of Kansas this year and the buffalo riding title of Nebraska. He also has won top honors at the rodeos and western shows at Cheyenne and Sheridan, Wyoming, and Onoway, Iowa, as well as other big exhibitions throughout the country.

Another feature will be some fancy riding and roping tricks by Fred Von Drott, who with Mrs. Von Drott operates the stables. Von Drott put in many years as a real cowboy on the range.

Plays and Sings

Another highlight will be the songs and guitar music of Ralph Gilmore. Other attractions also have been arranged for the occa-sion.

The club is made up of lads of from nine to thirteen years of age. It replaces here the Cub Scout organization. The boys have a most creditable member-ship oath. It is as follows:

"As Riders of the Range, we promise to be good to our horses at all times and to treat them with kindness and consideration. We promise to be kind to all ani-mals and to protect them from any cruelty should the occasion arise. We will always do our best to bring credit to our club by being Courteous, Obedient and Brave. We pledge loyalty to our leaders. We promise to work and play together in good fellow-ship."

Swinbertons Guests  
At Desert Inn

Staying at the Desert Inn are Mr. and Mrs. James Swinberton. The noted artist, who has been a regular visitor to Palm Springs for a score and more years, has been sketching on the desert for the past week. He recently began doing a new comic strip for the Hearst newspapers. However, painting the desert is his first love.

D. C. Chastain, prominent at-torney of Kansas City, and his sister, Mrs. Starr of Riverside, spent Tuesday afternoon with Mrs. Hortense Murray and her mother, Mrs. Tremble, at their home on Buena Vista street.

Enroute for home in Spring-field, Ohio, Mrs. Ray Johnson and her daughter spent a short visit this week at the Desert Inn.

For the New Season

She has been prominent in Palm Springs social and club affairs for many seasons. Mr. and Mrs. Clendenen spent part of the sum-mer in the East visiting her rela-tives and the remainder at Lake Tahoe.

Guild Meets  
Tuesday

The next regular weekly meet-ing of the Episcopal Guild will be held at the home of Mrs. Eber D. Kanaga on Tamarisk Road.

This meeting will start at 1 o'clock and all ladies of the mis-sion are invited to attend.

Brian Aherne and his wife, Joan Fontaine, were among the first arrivals at the Desert Inn.

Desert Inn Staff Is Back on Job  
Virtually Without Change; Famous  
Hostelry Opens Saturday for Season

With the exception of a new face here and there, the Desert Inn family of employees for the coming season remains virtually the same as that of last year. Returning guests will find the old crowd doing business at the same old stand.

Mrs. Nellie N. Coffman, Earl Coffman and George Roberson, the Inn's managing owners, arrived in September to begin prepara-tions for the opening. Coffman managed Yosemite Park's famed Ahwahnee Hotel during the summer, while Roberson spent the warm months between Palm Springs and Balboa. Mrs. Coffman remained in nearby Banning at her "Lazy Acres" home.

Back at their desks in the Inn offices are Dorothy From, accountant; Eva Mary Sheekler, secretary; Virginia Dooley, secretary; Ruth Dana, assistant accountant and cashier.

Ruth Wright and Mrs. James C. Geggie, Sr., return as social directors.

Resident auditor this season will be Walter Tollin, who re-places James Harrison, who was unable to return.

Other departmental heads on deck for the opening were: Mrs. Jessie Titus, housekeeper; Lillian Morrison, executive housekeeper; Clarence Woods, steward; D. S. Yee, chef; Walter Ude, Coffee Shop manager; Frances Mark-land, dining room hostess; Bruno Leonasio, chief engineer; Mrs. Ruth Koch, manager of the Vil-lage Inn; and Etta Cresswell and James Glendye, managers of the Vanity Box and Barber Shop res-pectively.

Many Noted Artists  
In Palm Springs  
During Past Week

During the past week there have been many artists of prom-inence in Palm Springs.

Among these was Paul Lauritz, who was here with Mrs. Lauritz for a few days sketching, partic-ularly of cloud effects. Cyril Al-dritt, painter, and Edward Lancer, writer, were in Palm Springs for the last week-end.

Boris Chaliapin, a Russian painter of note and son of the great singer, the late Feodor Chaliapin, was in town to make arrangements for an exhibition at the Desert Inn Gallery this season.

Three Are Fined on  
Intoxication Charges

There must have been special cause for celebration or some-thing early yesterday morning for three young men were arrest-ed at that time on charges of drunkenness. Police Officers Lee Smith and Jim Maynard arrested Cecil R. Gibson, 24, a waiter from Hollywood and Robert C. Judy, 28, a film technician, around 2:30 a. m. Two hours earlier they had taken in custody Peter B. Long, 28, salesman from San Bernar-dino.

All three appeared before Judge Guy Pinney later in the day and were fined \$25 each.

## Strike Situation To Be Discussed By Twenty-Thirty Club

Is the picture presented to the American world today that of industrialists and labor unionists, each with a strangle hold on Uncle Sam's throat, with one hand demanding your money or your life and with the other holding up the American flag, protesting their patriotism, or is it the picture of justifiable strikes and lock-outs in the national emergency, is this the day of America's humiliation or is it the day of her deliverance?

This will be the subject for discussion at the Twenty-Thirty Club at the Community church next Sunday morning at 10 o'clock.

An effort will be made to arrive at the Christian attitude toward these present day conditions. Other subjects to be discussed during the month of November are: Nov. 9th, Wherein is the Bible an Authority?; Nov. 16, Do Politics and Religion Mix?; Nov. 23, The Christian's Attitude Toward War; Nov. 30, A Philosophy for These Times.

Anyone interested in these discussions and in their twenties or thirties will be welcome. Rev. B. B. Weatherall is the discussion leader.

Sponsored by the Twenty-Thirty Club will be a lecture, "Tibetan Trails," illustrated with color pictures at the Community church at 8 o'clock Sunday evening. This talk will be given by Edward Beatty, who has recently returned from Tibet.

## Palm Springs to Participate With Other Southern California Cities In Observing National Art Week

Plans are being made by more than thirty Southern California communities, including Palm Springs, for the observance of National Art Week, November 17-23, proclaimed by President Roosevelt to stimulate interest in native American arts and crafts with the cooperation of the Work Projects Administration and other governmental agencies.

Besides Palm Springs, other Riverside cities taking part, according to Miss Jason Herron, state chairman, are Riverside, Corona, Hemet and San Jacinto. Prominent business and civic leaders throughout the Southland head committees arranging for the display of an estimated 3,000 objects of art.

Committee chairman at Riverside is Wycliff Taylor, who will name chairmen in Palm Springs, San Jacinto, Hemet, Colton and Corona.

## Community Church Social Activities

Forty members of the Vermont avenue Presbyterian church in Los Angeles attended morning services last Sunday at the Community church. After the services they enjoyed a picnic dinner at the church. This is the congregation formerly ministered to by Dr. Macartney, who is now pastor of the local church.

A special service has been announced for Sunday afternoon at 4 o'clock for all who are employed or otherwise unable to attend at other times. The communion will be administered.

Owing to unfavorable weather in the mountains the Community Circle was unable to hold its meeting last Tuesday at Forest Home as planned. The meeting and dinner took place at the church instead. Each person present told of an interesting event in her life. Mrs. Leroy C. Hooker, president, presided.

## Engrossing Talk on Argentina Is Given by Armand Turonnet at Lions Club Luncheon Meeting Thursday

Just recently Mr. and Mrs. Armand Turonnet, Palm Springs residents for a number of years, returned from Argentina where they had been living for a year and a half while the million-acre Pampas estate of an uncle of Turonnet's was being settled. Thus the Turonnets have really excellent first-hand knowledge of conditions in Argentina and of South America generally.

Some of their observations were colorfully described in a talk made before Lions Club members at their luncheon meeting Thursday noon at the Palm Springs Hotel by Turonnet. His address is as follows:

### ARGENTINA'S FUTURE

Contrary to the opinions of my friends (and the movies) Argentina is not just a land of tangos, fiestas and bullfights. Dancing is not any more popular in Argentina than in the United States, maybe less. You will not find the "Dine and Dance" roadside joints as you do here; and in the city of Buenos Aires at dances given by the better class you will find two orchestras playing alternately; one the "Orchestra Tipica" for tangos and the milonga; the other the "Orchestra Jazz" for fox trots, congas, rhumbas, etc. At the famous night club "Tabaris" the main stage is occupied by the jazz orchestra and directly overhead in a sort of balcony is the "Orchestra Tipica." The principal attraction is the jazz orchestra and the United States floor show.

### Fiestas

As to fiestas; I never saw one

the way our American movies picture them. Their picnics and barbecues are just about like ours only that at their barbecues (called asados) they wire the whole lamb or piece of beef to an iron cross and build a fire alongside of it, then keep turning the meat towards the fire in order to cook all sides. At a very big "asado" you would find a circle of crosses with the fire built in the middle. The big fiesta is "Carnival," the pre-lental celebration which is much the same as New Orleans' Mardi-Gras.

### Race

Bull fights are prohibited by law the same as in the United States. That custom left Argentina with the colonial Spaniard.

Nor is the Argentine to be confused with Central and South American countries where the Negro and Indian element has a definite influence on the social and economical life of these coun-

tries. The Argentine is racially and intellectually our equal. The only Indians are in the Andes on the Chilean frontiers and along the Bolivian and Paraguayan border. There is no Negro population and the Oriental problem is almost nil. A handful of Japanese live in Buenos Aires and sort of control the cleaning and dyeing business.

### Standard of Living

The Argentines say that their population is of European immigration just as in the United States, with this outstanding difference: Whereas in the United States the Anglo-Saxon European predominates in Argentine the latin European immigrant is in the majority. They claim a 97% Caucasian population; however, the standard of living on an average is below ours.

Starting with Buenos Aires where every luxury and convenience is available, one could travel through zones (except for a few cities) where the standard of living becomes lower and lower until you reach the Andes where life is almost primitive. The larger part of Argentina lives under conditions which existed here 25 or 30 years ago.

### Argentina and the War

Politically Argentina is a democracy with a Constitution patterned after ours with a few variations such as the Catholic church being subsidized by the government and being the official religion. However, there is absolute freedom of worship, speech and press.

Speaking of freedom of the press, I have often been asked how they (Argentines) feel about the European war. It seems to me that opinions are divided pretty nearly even with possibly a small majority for England, especially since Russia has been invaded by Germany. Both sides have their subsidized Spanish newspapers. For Germany, "El Pompero," "El Censor" and others. For England "La Palabra Libre," "Des File," etc. Both sides are so ridiculous that a child can see that their stories are nothing but cheap propaganda. When the German-sponsored papers tire a little of picking on England they start on us, such as saying, "A serious situation is developing in Mexico with thousands of young Americans that are running over the border to evade the draft." In order to get the news and public opinions one must read the big Buenos Aires dailies such as "La Prensa," "El Mundo" and "La Nacion," etc. They are some of the big newspapers of the world, equipped with direct wires from United, Associated and International News. You get the latest news at the same time in Buenos Aires as you do in New York. Their editorials are food for thought in any man's country. The government has tried to remain neutral but it looks like from latest developments it is going to be compelled to take sides.

### Attitude Toward Us

Another question frequently asked is: How do they feel toward us and our good neighbor policy? I'm sorry to say "not too good," so far. In the first place they resent the fact that we call ourselves "Americans"; they too are Americans. To them we are United Statesians. Second, we are considered an imperialistic nation whose only interest in Argentina is to make capitalistic investment there in order to skim the cream off the milk pan. I have yet to meet the American, living in Argentina who does not directly or indirectly express the desire to return to the United States as soon as he makes enough money. And some of them are foolish enough to let the Argentines know it.

## Rubidoux Motor Co. Opens, New Models on Display

Cream of the new automobile crop, the resplendent new Cadillacs and Oldsmobiles, are now on display and available for demonstration with the opening this week of the Rubidoux Motor Company of Palm Springs and Riverside, Cadillac and Oldsmobile dealers, in their regular location at the Plaza Garage, Samuel Norton, sales manager, returned to the village this week for his fourth season.

Norton has just come back from Detroit where he previewed the new model Cadillac and Oldsmobile line for 1942 and he has a wealth of information concerning the new cars to tell his friends and customers about the town.

Because cars will be hard to obtain this year he suggested that all prospective purchasers get in their orders as early as possible in order to insure speedy delivery.

Rubidoux Motor Company at the present time has twenty-five brand new 1941 cars, Cadillacs and Oldsmobiles, in stock and ready for immediate delivery.

## Are you SERVING the Vitamins you PAY FOR?

### Prevent vitamin waste —with a CP gas range

THOUSANDS OF FAMILIES with overflowing tables are actually undernourished for want of proper vitamins. These vitamins, though actually present when the food is bought, are being killed by improper cooking methods.

BE SURE THIS DOESN'T HAPPEN in your home. Follow the rules set down by food authorities. It's simple, the vitamin-saving way—with a CP gas range.

YOU CAN REDUCE MEAT SHRINKAGE, for example, as much as 20% through the low temperature roasting made possible by a CP oven. Many vitamins and minerals that might be lost through excessive heat or uneven temperature are thus saved. And even more important, with the new CP top burners you can retain vitamins in vegetables through the "waterless" method. Learn more about the new "health cookery" from a dealer or SOUTHERN CALIFORNIA GAS CO.

### WHAT EVERY WOMAN SHOULD KNOW ABOUT VITAMIN-SAVING

- 1 Use little water in cooking.
- 2 Cook vegetables for the shortest possible time.
- 3 Cover utensils to keep air out.
- 4 Avoid unnecessary stirring of vegetables.
- 5 Don't put in baking soda to brighten food colors.
- 6 Start vegetables in boiling water.
- 7 Don't throw away vegetable liquids—use them in soups or cream sauces.
- 8 Keep foods as fresh as possible—use dependable automatic refrigeration.
- 9 Serve plenty of green vegetables.
- 10 Serve foods soon after cooking.
- 11 Broiling is preferable to frying to retain vitamins.
- 12 Low-temperature roasting saves vitamins, minerals.

HERE'S YOUR "DREAM" RANGE, with the CP (Certified Performance) seal. CP gas ranges are made in various models by many manufacturers, and each meets 22 specifications to save you time, fuel, and vitamins. Top burners are extra-speedy, give any desired heat instantly. Ovens light automatically, provide controlled heat. Broilers are smokeless. CP ranges are beautiful in design—easy to keep clean—and cost, on the average, only 1/2 as much to operate as the next-most-discussed method.

In Southern California it's more than 10 to 1 for GAS cooking

## Directory Work Is Now in Progress

Preparation of the Palm Springs city directory for this season is now under way by the Western Directory Company with Grover Inskeep, president of the concern, and his nephew, George D. Inskeep, Jr., here to carry on the work.

The directory has proved decidedly useful to villagers and visitors in the years it has been published.

At present the Inskeeps are lining up advertising and information. It is expected to have a crew of canvassers here within a week or so to make the house to house and business to business survey.

Pretty Marjorie Darling, who had so ably handled most of the compilation of the directory in past seasons, will not be able to be in Palm Springs this season. She recently underwent a serious operation and is now convalescing at her home in Los Angeles. That the directory has been the success it is is largely due to Miss Darling's efforts in past years.

## ENTERTAIN AT ROGERS RANCH

Four reasons why people enjoy themselves at Rogers Ranch are shown here. Of course these are only four of many reasons, all good ones, too. Songstress Judy Hall does her stuff with the Three Rhythm Dots. There is a gay Halloween masquerade party at Rogers tonight and then for Saturday evening the boss fella, Trav Rogers, is presenting the regular weekly affair with modern and old-fashioned dances. And of course Tex Hall and his orchestra will do the musical honors for these, as well as all of the Rogers Ranch dance affairs.

## 6th Season Starts For Plaza Garage, McNeer Is Head

With H. D. McNeer at the helm, as he has been since the business began, the Plaza Garage is now starting its sixth season as one of the largest and most complete establishments of its kind in this section. The garage is the headquarters for Cadillac and Oldsmobile sales and service.

McNeer, the owner, has been in Palm Springs for eleven years, spending five years at El Mirador Garage before he took over at the Plaza Garage when the Plaza project was first built.

During the summer many new items were added to the already extensive equipment.

Rubidoux Motor Company, Palm Springs Oldsmobile and Cadillac dealers, are beginning their third season in the Plaza Garage. Sam Norton has returned as sales manager. He has one of the smart new 1942 Oldsmobile models now on display. Hertz U-Drive cars also now are in operation from the Plaza Garage.

## French Bootire Opens New Season With Acord Back

Acord spent the early part of the summer at the French Bootire in Hollywood. This is his tenth season in Palm Springs.

## Attractive Units Are Completed at Sunshine Court

Replacing one of the original cottages of the Sunshine Court group on North Palm Canyon Drive a handsome two-unit bungalow has just been completed and is now ready for occupancy. The north apartment already has been taken for the entire season, according to Mr. and Mrs. Charles Henderson, managers of the court.

The new structure was entirely designed, planned and decorated by Harriet Henderson and is both unusual and appealing. It is distinctively in desert style. The builder was Wm. Marte, local contractor.

Each of the units has a large, interestingly arranged living room with California type furniture of blonde mahogany. The bathrooms are bright and complete and have tile showers. Each kitchen is compact and completely equipped. From one end to another the so-called bachelor units, which are really capable of accommodating two persons most comfortably, are brightly colorful and most modern in every respect.

### Busy Weekend

The new building is located on Belardo Road frontage of Sunshine Court and replaces Number 8 cottage which was constructed with six others by the late Dr. J. J. Kocher nineteen years ago.

Mrs. E. H. LeBlond has rented the one half of the building for the entire season. This will be her third at Sunshine Court.

Last weekend the hostelry was entirely filled, according to Mrs. Henderson, this being the first time that this has occurred in October in the eight years the Hendersons have been in charge of the property.

Among the prominent guests last weekend were Mr. and Mrs. Wm. G. Schulte and C. R. Hiller, all of Louisville, Kentucky, and George A. Brooks, director of entertainment for the Los Angeles Athletic and Allied Clubs, with his party of six.

## Guard Company Will Receive Rifles Soon

For very little longer will members of the Palm Springs Company of the State Guard be forced to drill with make-shift weapons. Commander Harold Lienau yesterday received word from Major Leland Yost, commander of the Third Battalion with headquarters at Indio, that the rifles have been requisitioned. Commander Lienau said they may even now be on the way.

The rifles are 1917 model Lee-Enfields, the standard British Army rifle and excellent weapons. Many of the guns were manufactured in the United States for use of the American Army in the last World War. Lienau said it is understood the local company also will get ammunition. It is expected that 95 rifles will be sent here. This is to be the full strength of the Palm Springs company.

**Need Side Arms**  
Because the government does not furnish side arms for officers of the guard units, Commander Lienau has asked if there might be local people willing to lend either .38 or .45 caliber revolvers or automatics for this purpose. The guns would be receipted for and insured against loss or damage. About six of them are needed.

Lienau also emphasized that any men contemplating joining the State Guard group should do so now before the rifles arrive so that they can benefit by rifle training right from the start.

He also disclosed that Father Michael O'Connor, popular pastor of Our Lady of Solitude Catholic church here, has been asked to be chaplain for the entire battalion. Further he announced that Ted Griffith will be with the battalion medical corps, assigned however to the local company on detached detail. The Third Battalion embraces two companies in Coachella Valley, one at Blythe and the local group.

## Dot Varnum Is Back to Resume Column Writing

Having just completed an original scenario for RKO Radio Pictures, Inc., in collaboration with Anita Speer, well-known free lance writer for the studios, Dot Varnum came back to the village yesterday to get back into the local grind.

Miss Varnum will start next week her highly interesting column of Palm Springs doings which proved so popular with Desert Sun readers last season. Most of the summer she spent at Idyllwild as hostess for Idyllwild Inn.

## Expect Thousand

(Continued from First Page)  
ably in establishing Palm Springs as the sportswear fashion center of the country.

This weekend, Phil Lansdell, former U.S.C. football star and now connected with the Los Angeles group, and three other representatives, are to be in Palm Springs to go over plans for the event.

The visitors will be accommodated at the various American plan hotels which are making special rates for them. With most arriving by special train at the Southern Pacific station at Garret Saturday morning, Palm Springs is planning to give them a royal reception. It is hoped to have a cowboy orchestra at the station and to bring the visitors to the village by station wagons and private cars. At the hotels there will be regular headquarters with welcoming groups.

**Many Highlights**  
Saturday afternoon a "sportswear clinic" will be presented at the Desert Inn. There will be a big barbecue for the visitors Saturday night at Rogers' Ranch with hay trucks picking up the guests at the hostelrys and transporting them to the ranch. Then on Sunday morning there will be a breakfast ride.

The Sunday afternoon feature will be a men's sportswear fashion show at El Mirador pool. Arrangements are being made to take the visitors on interesting trips to the canyons, date gardens and other points of interest as well as to provide them with golf, tennis, horseback and other sports facilities.

What is particularly emphasized by the chamber of commerce is that it is hoped to enlist the cooperation of all villagers in wearing western clothes for this occasion, just as they do for Desert Circus.

## Corrects Statement That All Building Must Be Stopped

Donald Nelson, head of SPAB, has recently retracted the statement that all building must stop, according to information received by managers of local lumber yards.

The building industry is the second largest, surpassed only by agriculture. It employs seven million directly and about eight million more are employed in closely related industries that depend heavily upon building for their existence.

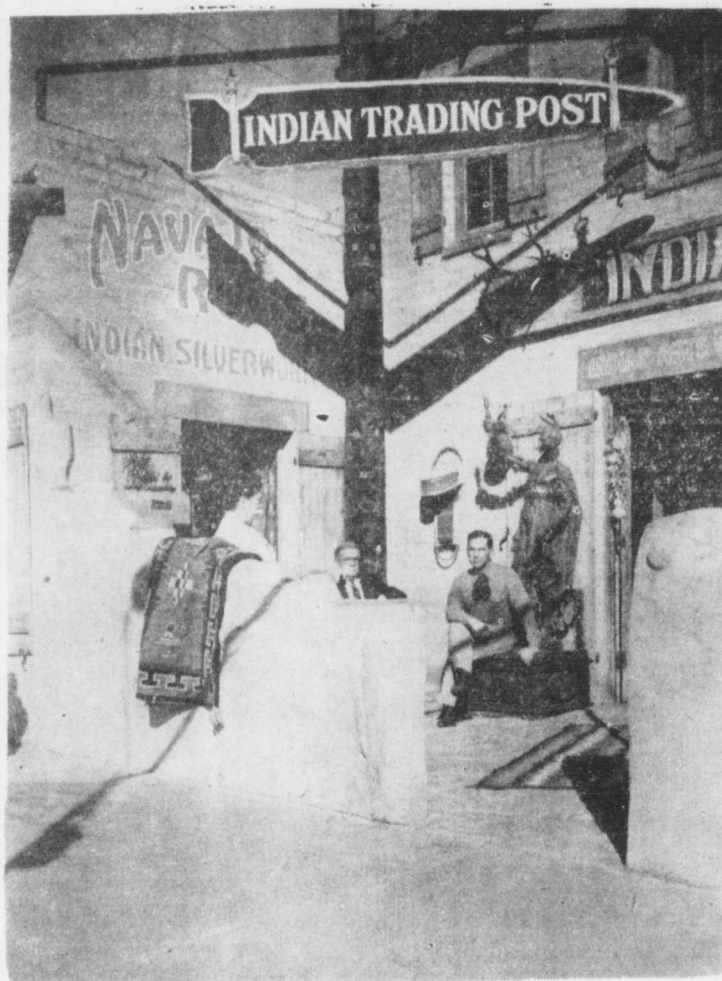

Home building requires a very insignificant amount of critical materials. Government statistics show that to build 600,000 homes costing \$6000 each would require only 1.3 percent of the available steel, 2.5 percent of the available zinc, 4.3 percent of the available copper, and 5 to 10 percent of the available lead. Substitutes can further reduce these amounts, and the fact that homes average less than \$6000, will require even less material. Then, too, the largest percentage of metal required is that of lead, and, in placing it under priority last week, SPAB announced, "no shortage is anticipated in this product." Thus it would seem that home building can continue without injury to the defense program.

About 15 percent of the national production is now devoted to defense, it will not be over 25 percent next year, and it will be 1943 before 50 percent of production can be shifted to defense work. Heavy curtailment of all-metal consumer products should readily meet the present needs of defense and there is nothing to be gained in shutting down the building industry that uses a small amount of critical materials in order to accumulate them for use at a much later date.

Local dealers in building materials can secure a priority rating and will continue to meet the home building needs of our community.

## PICTURESQUE INDIANOYA

One of Palm Springs most interesting stores, Indianoya, has just begun its fifteenth season. Here may be found some of the finest articles of Indian handiwork such as lovely rings, bracelets, belts and rugs. Photographer Phil Kasper snapped F. W. Watson, owner of the colorful shop, his daughter, Altha Wilson and his son, Fred Watson, in front of the establishment yesterday.

## Californians to Pay \$2 Per Day Per Family in Taxes

By June 30, 1942, the federal deficit probably will be 61 billion dollars, four times as much as four years ago, and 61 times as much as at the beginning of World War No. 1, said N. Bradford Trenham, in a speech before the Riverside-San Bernardino counties unit of the California Newspaper Publishers Association at the La Posada Hotel in Redlands, Tuesday evening. Trenham is an official of the California Taxpayers League.

Carl Barkow, president of the unit, represented The Desert Sun at the meeting. Barkow presided.

It is estimated the federal government will spend 24½ billion dollars this fiscal year, said Trenham, half of which will be raised by taxation and the other half to be borrowed. Of these 12 billions, the state of California must pay between 6 and 7%, or approximately 750 million dollars. Added to state and local government taxes, California taxpayers will pay one and a half billion dollars this year, an average of \$2.00 per day for every family in the state.

The speaker told of the excellent work of the economy bloc in the state legislature who consistently and successfully opposed all new tax legislation during the 1939 regular session and the special sessions of 1940, with the result that the former huge deficit will be wiped out by June, 1942, and the state will then have a surplus. State expenditures are 40 million dollars less this biennium than during the preceding biennium. The state can very well reduce taxes in the next session, or permit a huge surplus to accumulate unless new expenditures are voted by the legislature or the people.

Trenham stated that state and local government expenses and federal non-defense expenditures must be drastically reduced so that the people can carry the cost of national defense.

## Sells Property Near El Mirador

One of the important property transfers in the past week was sale by Milton W. Lipper of Beverly Hills to Newel U. Carpenter of lot 7 in the Merito Vista tract near El Mirador hotel. The property, 150 by 175 feet is located on the south side of Via Lola, westerly of Palm Canyon Drive. The deal was disclosed by deed handled by the Security Title Insurance and Guaranty company of Riverside.

## Noted Artist

(Continued from First Page)  
trees and far vistas of Santa Rosa mountain among the subjects.  
Returning this week is John Hilton, another noted desert artist, who has just concluded a summer spent in the interior of Mexico. He is bringing back with him eighteen new and interesting canvasses which he accomplished despite a siege of malarial fever.

Sure to create an artistic stir in the exhibit is Burt Procter with fifteen small water colors. They are vital and sparkling. Procter's exhibits always are among the most interesting of the season.

### New Work Shown

Among the artists to be represented is Max Vaucher, teacher of languages and art in the Palm Springs high school. He will have a portfolio of new prints in the show.

Another will be Cyril Aldritt, a young California painter, who has developed the fine early training he received in Europe into a style of fused delicacy all of his own. Although recognizedly a conservative painter, he breaks through now and then with ultra modern designs in flower studies. Aldritt will present his first one-man show in the Desert Inn Gallery in March.

Other artists showing in continuous exhibition are B. Kindert, Palm Springs resident, June Wise with flower studies, Ralph Hammas, Louise Nenimo, famous for paintings of cactus, Annette Honeywell and Marjorie Reed Lindgren, Palm Springs' gifted young painter of horses and western scenes.

**Lauritz Recently Honored**  
Internationally known artists who will show at the Desert Inn Gallery during the season with one-man exhibits are James Swinnerton, Jack Wilkinson Smith, Clyde Forsythe, Leland Curtis and Paul Lauritz. Lauritz recently achieved one of the high honors in the world of art. A canvas of his California hills, "Hills Eternal," was chosen to hang in the Carnegie Institute. There were 300 paintings chosen out of 7,000 pictures submitted to the jury of Jury of Admission for Directions in American Painting.

The collection of the late Gordon Courtts, famous Palm Springs artist, with Charles Bradford Hudson will also be found in the gallery. And for those interested in impressionism, abstractions and the young modern there will be some of their work shown throughout the season. The gallery is open from 10 a. m. to 6 p. m., daily.

## CHARMINGLY DESIGNED

Most appealing in plan, arrangement and furnishing are the two units in the new building just completed at Sunshine Court. They were designed, planned and decorated by Mrs. Harriet Henderson, and consist of living room, bath and kitchen. Each unit has a separate little patio porch. This is a view of one of the colorful living rooms.—Photo by Ward's Camera Shop.

## Rector Is Now at Village Pharmacy

With considerable elation it was announced by the Village Pharmacy ownership this week that Jimmy Rector is now associated with the concern's attractive fountain.

Rector is a popular and able fountain and restaurant man. He was for several years manager of Brock's Waffle Shop here and last season was at Valentine's Pharmacy.

Jimmy is one of the town's top tennis players.

## Jimmy Campbell

(Continued from First Page) plication was sent immediately by The Desert Sun to the officer in charge of recruiting in Los Angeles.

According to an announcement made public in Washington, a limited number of additional men between the ages of 17 and 50 will be given a chance, by enlistment in the Navy or Naval Reserve, to get to the top, with big pay, in jobs which by their aptitude and as a result of examination they show themselves fitted, among nearly 50 different trades and vocations. These include such callings as aviation machinist, dental technician, photographer, diesel engineer, radio technician, electrician, welder, storekeeper, and baker. Enlisted men may also qualify for commissions as officers.

### Special Training

Beginning this week, the Navy plans for a limited time to accept new qualified men for training. These men will be sent to one of four Naval Training Stations and may have a chance to go to a Navy Trade School even before assignment to the fleet. During this period they will be given regular Navy pay and the Navy's free schooling is valued at hundreds of dollars.

"Never in the history of the United States has there been greater opportunity for loyal young Americans to serve their country and build their futures than right now," said Secretary of Navy Knox.

## \$359,000 to Be Raised in County By Auto Use Tax

Motorists of Riverside county, including resident car owners of Banning, will pay approximately \$99,500 to the Collector of Internal revenue in Federal \$5 use tax on all motor vehicles which becomes effective February 1, 1942.

The initial payment, covering the period between February 1 and the start of the Federal fiscal year of July 1, has been prorated and announced as \$2.09, advises the Automobile Club of Southern California.

The above assessment to county motorists is based on approximate car registration figures released by the license bureau of the automobile club.

For the first full fiscal year, July 1, 1942, to June 30, 1943, car owners of this county will be assessed approximately \$359,000. Motorists of all 13 Southern California counties will pay an aggregate of \$9,000,000 in Federal use tax during 1942-43, and \$3,767,000 during the February-to-June "short" fiscal year.

Applications for the "short" fiscal year payment will be mailed shortly after the first of the year, while the full year applications will be forwarded to car owners about June 1, 1942.

## Daughter Born to The Geo. Tomkins

To Mr. and Mrs. George Tomkins, Jr., of Palm Springs, a daughter was born October 24th at the Ramona Community hospital in San Bernardino.

## Big Program

(Continued from First Page) ping pong tables, punching bag, weights, etc., soft drink machine. This club, Director Taylor points out, should be open during the time of day when school is not in session and during early evenings.

Another idea which presently is being carried out, is for newspapers to be delivered to the school playground and the newsboys supervise during time of waiting for papers.

### Varied Activities

Other proposals outlined are for a large room for woodshop and handicraft, for adults and children and open at least a half day and evenings; hiking groups, bicycle groups, riding groups; working girls' club with a club room for facilities for recreation; women's calisthenics class, possibly for both men and women, to meet on a lawn or grass plot; supply athletic equipment for small paly area on Indian reservation.

The last item is one of considerable importance and is greatly needed.

## Takes Air Photos Of Palm Springs With \$9500 Camera

That pestiferous yellow plane which buzzed over town a good part of Sunday, shattering the tranquillity of the Sabbath, was just another camera man "shooting" the town, it was disclosed this week.

Recently the Robert E. Phair Corporation of Los Angeles developed a high speed aerial camera for military use. Desiring to make some test shots with it they brought the huge camera, which cost something like \$9,500, to Palm Springs.

Some of these shots, greatly enlarged, are on display in the window of the Robert Ransom office in the Plaza, where Allan Hunter will be pleased to show them in detail.

The Robert E. Phair Corporation, through the Chamber of Commerce, has expressed thanks to all who cooperated in making the shots possible, including Chief of Police Lyle Sanard, Frank Bogert of the Chamber of Commerce, and Hunter.

Considering the scores of complaints which poured into the Chamber office about the plane's Sunday's maneuverings, these three gentlemen probably would just as soon do without the photo company's polite acknowledgment.

## Wife of Theatre Executive Returns For the Season

Ensclosed in her attractive home in La Rambla Tract for the season is Mrs. N. O. Turner of Stockton, wife of the district manager for the northern division of the Fox West Coast Theatres.

Mr. and Mrs. Turner arrived here last weekend from Stockton, bringing with them as their guests Mr. and Mrs. Jack Holden of the northern city. The Holdens and Turner returned north Monday.

The Turners acquired the former Robert Lerch home last season and have made numerous improvements.

## Cathedral City

By WILLARD R. HILLERY

It is safe to say the World Series never attracted such a huddle of dialers as that which attempted to hear the review over the radio last Sunday night of Willard Price's new novel, "Barbarian." Fortunately, a few people have been able to at least see the book and have read the recent article in The Desert Sun about it, because our ordinary sets did not get clear reception owing to other stations overlapping. The book is an historical novel based on our relations with Japan and is one that every one of us should read. We are almost sure to go to war with that country and as there is no hatred toward the Japanese on our part we should know something of the mind and economy of Japan.

Mr. and Mrs. H. E. Peterson and their uncle, Albert Maurer, returned from their trip to Kelso, Washington. And imagine this, traveling at this time of the year you would expect them to encounter much rain, but the only rain they ran into was on their return trip and in the south close to home.

We understand some lawn and shrubs are scheduled for our local school grounds. This is another step in giving us a beautiful set-up for our boys and girls. Memories should be sweet to them as the years tick off.

This is definitely a forward year for Cathedral City. Rentals and reservations assure a good season for owners of rental property which will make them all happy. A hasty summary of construction work shows much either being done or just finished. E. J. Wheeler and Frank M. Naley have the most important buildings now under way. Those recently finished include structures owned by Willard Price, Harriet Day, W. C. Strong, Elly, Ida Weeber, Wm. Chance, and Perry E. McCullough. Additions or repairs were made by Elizabeth Elsterman, Esther Wood, Oasis Cafe, Alex Rich, L. Grace Green, postoffice, Desert Lodge, DeLuxe Trailer Park, and Casa Reposa.

It is reported that Samuel D. Arner, local real estate agent, has negotiated the sale of a lot next west of the home of Mrs. Grace Jones.

Mr. and Mrs. P. R. Richie, parents of Mrs. James Wolseth, have been visiting at the Wolseth's Desert Lodge.

Sale of Defense Stamps continues brisk at the Cathedral City postoffice.

Mrs. Emma McMickle, who heads the local recreation com-

News contributions in addition to the column written by Bill Hillery are most welcome contributions from Cathedral City people. So if you have a story and don't happen to contact Mr. Hillery, please mail it to The Desert Sun or drop it off at The Sun office on North Palm Canyon Drive in Palm Springs.

mittee, states that she has interviewed Director Taylor relative to creating recreation facilities in this village. It is to be hoped some sort of arrangements can be made with the Desert School District board to permit development and use of school area for community games. The benefit that comes to young and old are definite. Youngsters are benefited both physically and morally and older people, especially guests in the village, need some sort of activity to make them happy while sojourning with us. We should back it by all means.

To learn about plans of various kinds that may have far-reaching effect on the future of this village, you and you are asked to attend the regular monthly meeting of the Chamber of Commerce at Town Hall Tuesday at 8 p. m. These meetings are open to the public.

Wish we could tell you more about the Hallowe'en supper that is to be held Saturday evening at Town Hall. We do know it will be good. They always are. It will be cheerful and informal. All within the borders of our village and neighbors are asked to notify Mrs. Edna Cobb at the postoffice, so some idea can be had of the number who may attend.

Mr. Tarry Hann of the Oasis Cafe is reported ill in the hospital at Indio. We hope his indisposition is very brief and that he will shortly be about his place of business. Business goes on without the boss but he is needed very much in the place's expanding service.

Mr. and Mrs. George Fenton of Glendale are recent arrivals on our desert and expect to stay through the season.

## COMMUNITY CHURCH BOARD MEETS

The Cathedral City Community church board held its first meeting Wednesday evening, October 2 at the home of Mrs. E. H. McMickle.

A very interesting church program was planned which promises a progressive season and a mark in the history of the village church. A word of thanks was given Rev. Edmund Bouslough and his wife for being their regular pastor for the coming season.

## Woman's Club Meets Wednesday

Launching another season, the Cathedral City Woman's Club will hold their first meeting Wednesday, November 5.

This will be the annual Canyon Breakfast in Cathedral canyon. A very tempting breakfast will be served to the members amid the beautiful formation of the canyon and the great out-of-doors. Mrs. Marguerite Hillery will be the hostess.

In the absence of the club president, Kathleen Nutt, a short business meeting will be presided over by the vice-president, Mrs. Blanche Zinn. Members are asked to make their reservation not later than Tuesday noon by signing their name on the posted placard at the postoffice or by phoning Mrs. Hillery at 3417.

## Curtis Resumes His Heating-Ventilating Business in Village

One of the busiest chaps in the village these days is Frank Curtis, who is starting his fourth season here in the heating and ventilating business.

Curtis returned to Palm Springs last season after an absence of two years and remained in the village throughout the summer. During his previous years in business here he made installations for many of Palm Springs' finest and largest homes. He is a representative of a number of the largest and best-known companies in the heating and ventilating lines.

Curtis, an engineer with many years of training, is staying at the Bella Vista Hotel.

## Attend Annual Employees Dance At San Bernardino

From Palm Springs a group of Safeway Store employees headed by Joe Butler, manager, went to San Bernardino Monday evening to enjoy the annual dance of the company in the high school auditorium there. Safeway employees from the entire Riverside district, which embraces both Riverside and San Bernardino counties, attended the affair.

Those going from Palm Springs were Mr. and Mrs. Joe Butler, Mr. and Mrs. Orrin Linville, Miss Mary Johnson and Ralph Gilmore, Glenn Stempel, Gerald Pearson and Bill Ryan.

## Fishburns Make Early Season Stay

In Palm Springs for a brief early season visit this week were Mr. and Mrs. C. D. Fishburn of Manhattan Beach. They are guests here frequently each year. Fishburn is president of the White House Corporation on Beverly Boulevard in Los Angeles.

## Romance Must Be in the Air at El Paseo; Two Elopements of Dennis Employees Occur Within Two Weeks

If such a thing can be done, George Dennis, operator of El Paseo Fountain, would like to have the air up his way checked up a bit. He thinks there's an extra amount of romance in it. And he has good reason to think that way. Two of his staff have eloped to Yuma within two weeks.

First, John McFarland, who hails originally from Oklahoma, but now makes his home in Palm Springs, drove to Yuma with Erma Lee, also of Oklahoma and Palm Springs, on October 4 and were married at the Arizona Gretna Green.

Then on October 19, Alane Allison, whose home is at Long Beach but who now lives in Palm Springs and works for Dennis, eloped to Yuma with Glenn Hyatt, who hails from Flint, Michigan, but now makes this village his home.

## Santa Ana Couple Are Guests of Mr. And Mrs. Paul Grimm

Former winter residents of Palm Springs and frequent visitors here, Mr. and Mrs. A. E. Stiles of Santa Ana have been the guests for the past week of Mr. and Mrs. Paul Grimm. The Stiles recently acquired an extensive property on a hill-top location just outside Santa Ana and have made it one of the show-places of Southern California.

Major and Mrs. Charles Bradley sojourned at the Desert Inn during the past week.

Alexander Tiers of Monterey, a frequent Desert Inn guest, was among the hotel's pre-season guests.

## Bowling Them Over

In Palm Springs  
 News of the Palm Springs Bowling Academy  
 (By E. KENT ROSE)

### Ladies' League Notes

Florine Spellman, that very blonde, very enthusiastic, and very good keggerette from Redlands, set a new standard for the girls to shoot at in the Palm Springs Ladies' League when she blasted out games of 243, 158 and 223 for a total of 624 pins scratch. This was too much for Annette's Beauty Salon to overcome so the Village Sandwich Shop took four points. Community Laundry moved into the league lead by taking the Banning Texaco team into camp 4 to 0. Billie Tomlinson was high with 526. Chi-Chi and the Sport Shop broke even in their match. High team game for the evening was an 820 by the Sandwich Shop while the same team had high series with 2355.

### Major League Notes

Although Banning Nite Spot moved into the league lead, Palm Springs Plaza stole the show in Tuesday's Major League with a smashing 2928 team total. Plaza's 928 wasn't good enough for the Gibbs Druggists who threw in 955, but then Plaza began to move and hung up a 1040 second game. Every man was over 200 except one and he had 192. Mary "Tiger" Sale hung up a new league individual high with 660, a swell series. John Miller helped with 595 and Phil Gardello, bowling for the first time this season threw in 578. Nice going, Plaza. Valley Laundry finally came to life at the expense of the Armstrong Dairy team 2 to 1. Bevil was high with 636, including a nice first game of 255. High totals for the evening show: Sale, 660; Bevil, 636; Bastian, 609; Miller, 595; Brahmeh, 593; and Carper, 589. Next week's battle should be the Plaza and the Banning Nite Spot on alleys 9 and 10.

### Springs Classic Team Moves

The Palm Springs Classic League team started its bid for fame and fortune with a nice 3 to 1 over the Ontario Klick team last week. Todd Tomlinson with 590 and Jack Kramer with 569 were high. Jack Hatfield is the high average man of this team, at present sporting a 189 average. This team is in a good contending position now and figures to finish well up in the league standings. The Village Sandwich Shop dropped a tough battle at Ontario 3 to 1. The only game the locals were able to salvage was a 1033 middle effort. It is a tough league when 2800 pins win only one point.

### Rosettes

Tuesday night's pot game was a lulu . . . 200's stuck for lines consistently. . . . Harv Bardo from Big Bear sparked the play with several big ones. . . . It's good to see Todd Tomlinson hitting them again . . . over 200 every pot game but one and that 190. . . . We miss Jerry Sanborn this year. . . . Jerry has hung up his ball and shoes for a year . . . lack of time. . . . Ditto Bill Leonasio. . . . Frank Portnoy's team in the City League promises plenty of excitement and fun. . . . We've dubbed them Portnoy's Playboys. . . . Do you like that? At least you'll like the team—a bunch of fighters from the word go.

## CLASSIC LEAGUE BOX SCORE

The Village Sandwich Shop returned to form with a four point win over the Eastside Beer team of Redlands. K. Rose with 588 and Blake Bevil with 576, were high for the locals. Last minute flashes show that the Coca Cola team of Palm Springs tramped over the Pinky's team of Redlands 3 to 1. Jack Hatfield with 576 and Todd Tomlinson with 575 led the Cola's into a 2909 series.

## Sports Highlights

By DICK MCGONAGLE

Five straight! That was what the Palm Springs Indians accomplished in last Friday's game with a stronger, heavier Coachella team. They were determined to win, and they did, coming out of a hard-fought battle on the right side of a 20 to 13 score on the Arabs' field.

Early in the initial quarter, as soon as they took possession of the ball, the Indians started a drive, and in only four plays crossed the Arab goal line. The score was made on a perfectly executed pass from Tommy Haynes to Norval Scriven. Sid Sanard dropkicked the conversion.

### Scriven Is Hurt

Scriven took the kick-off at the start of the second half, and although he didn't know it at the time, his collarbone cracked when he was tackled. He played for 10 minutes after this in spite of the pain and scored the second touchdown on another pass from Tommy Haynes, before realizing something was wrong. This injury will keep him out of action for the remainder of the year and it may prove a costly loss to the team as the Beaumont Cougars play here a week from this Friday.

This score put the Indians on top 13 to 0, but Coachella scored soon after, on line plunges after a long pass was completed to the 5-yard line. The try for the extra point was unsuccessful.

### Intercepts Pass

Toward the end of the third period Herb Lienau intercepted a pass and went clear to the Arab 10 before being stopped. A few plays later Haynes rifled another pass through to Manuel Chavez for Palm Springs' third and last touchdown. Sid Sanard was forced to kick through the legs of a charging Coachella player, but he remained cool and dropped it over cleanly before being bowled over.

More passes set up the second Arab score in the last quarter. Wilkins, the captain, drove over from the five.

In the last minutes of the game Coachella tried more passes, but Fred Frost intercepted one of the long ones and the Indians kept the ball until the final gun sounded.

All of the Indians played a good game, but Tommy Haynes was especially effective with his flawless passing and running.

The starting lineup: Left end, Chavez; left tackle, McGonagle; left guard, N. Mutascio; center, Etchason; right guard, McDaniel (captain); right tackle, Sanard; right end, Scriven; quarterback, Guyer; left halfback, Haynes; right halfback, Morgan; fullback, Lienau.

Next Saturday afternoon the Indians meet the Excelsior high junior varsity. The game will begin at 2:30 on the Palm Springs field.

## Interest Grows in Thanksgiving Game With Blythe High

As the Palm Springs high school team continues its remarkable unbroken string of gridiron victories, interest increases in the big game to be played between the local eleven and the Blythe high school aggregation at Palm Springs on Thanksgiving Day.

Palm Springs is undefeated this season to date, having won five straight. Blythe has a strong, hard-hitting team. And so this game should be a thriller.

The contest starts at 2:15 p. m. and inasmuch as it is being played for the Palm Springs company of the California State Guard, a record turnout of villagers and visitors is expected.

### All Proceeds to Guard

Entire proceeds from the sale of tickets goes to help maintain the local guard company. The well-drilled group will parade and march in review on the field between halves. Here is a splendid opportunity to support one of the town's most valuable assets, so all villagers are strongly urged to schedule attendance that afternoon or at least purchase one or more tickets whether they are able to go or not.

## BASE-BAWLING

By JIMMY GLENDYE

Into the memory archives for future perusal goes Malcolm Priest's fine feat of last Tuesday night when this great Palm Springs softball pitcher stood on the mound and gave a virtually perfect performance.

His opponents, the Builders' Supply team, were what some people call flabbergasted by his great work. Fast after fast ball zipped over the plate, mixed up with slow curves and a change in pace that amazed not only his opponents but also the spectators.

Out on the hillock for the Lumberjacks stood another great pitcher in the person of one Al Strickland, who is, in my opinion, the outstanding colored boy pitcher in California.

### Priest in T. p Form

But it made no difference on this night. Priest was unbeatable. It was just his night and his great exhibition earned him the plaudits of his teammates and opponents alike in winning this game for the Contractors by the score of 5 to 1. This was the first game that Strickland has lost of the many he has pitched on our local Field Club diamond.

This game decided the winner of the second half of the softball schedule. As result the Contractors will meet that hustling and colorful Rinkydinks aggregation in a playoff series for the championship of Palm Springs.

The first game will be at the Field Club on Thursday evening, November 6. And boy, oh boy, what a game awaits the local fans that night. Second game will be the following Tuesday. Then, if each team has won a game, the deciding contest will be played on Thursday, November 13.

Presentation of the trophy to the championship team will be made after the deciding game by Dick Taylor, our popular recreation director.

See Seeing U on Thursday night.

## Hallowe'en Doings To Be Super Super At Racquet Club

Weather good or bad, this week end is going to be undoubtedly and unquestionably gala at the Racquet Club, and you can take the word of none other than Charles Farrell for it.

The Club is having a Hallowe'en supper party for members and invited villagers tonight and the regular Saturday night dinner party with a little Hallowe'en atmosphere thrown in for good measure. George Lloyd who appeared with C. Libilious in his road show revival of "Seventh Heaven," and who also appeared at the Rainbow Room of the Waldorf and at Le Ribbon Bleu in New York, will do his price-less impersonations.

The big doings will draw Charlie Wrightman flying in from New York and there will be a crowd from Hollywood.

**For the Ladies**  
Enjoyable affair was the "hen party" which Mrs. Charles Farrell had last weekend. It started out at the Racquet Club for cocktails, proceeded to the Farrell home for dinner and then wound up back at the Racquet Club for music and dancing. Guests were Mrs. Tessie Hicks, Mrs. Irving Snyder, Mrs. Gracie Roberts, Mrs. Frank Bogert and Mrs. Ralph Bellamy. Lots of the bold, bad Vaqueros sneaked in from their night camp away back in them thar hills in order to take part in the merrymaking.

Mr. and Mrs. Gilbert Roland, she's Connie Bennett, you all know, are at the Racquet Club for a week.

Among guests last weekend were Willis Hunt and Elise Curtis.

## Radio Writers Are Guests at Nooks

To all intents and purposes Mr. and Mrs. Duke Atteberry and Mr. and Mrs. Ashmead Scott, guests at The Nooks, are commuters from Hollywood to Palm Springs between Bob Burns' radio programs.

Duke Atteberry has been with Bob Burns from the beginning of his radio and picture career—six years, to be exact—supplying the gags which have kept the audiences across the country laughing all through the programs.

Ashmead Scott, who formerly wrote the script for the Dagwood and Blondie radio programs, is collaborating with Atteberry on the Bob Burns program, writing the plays while Atteberry ab libbs the gags.

"And besides," adds Atteberry, "I have a lovely wife and two dogs, 'Skooky and Snoony,' who plan to make Palm Springs a habit all during the season."

**Many Other Guests**  
Other recent guests at The Nooks are Mr. and Mrs. Howard Buffington, Mr. and Mrs. John Heffron of Los Angeles and their two small sons, Mr. and Mrs. E. F. Brown of Santa Ana, Mr. and Mrs. W. R. Bulman and daughter, Maywood; Mrs. Robert H. Guthrie and party from Portland, Oregon; Mr. and Mrs. J. E. Parmer of Guerneville, California; Mr. and Mrs. C. F. Disbrow, Mr. and Mrs. R. A. Wylie, Mr. and Mrs. John May, Mr. and Mrs. Benjamin Abel and son, Milton; Miss Carrie Ellinger, Mr. and Mrs. F. R. Belville and Mr. and Mrs. H. R. Conklin, all of San Diego. Mrs. Belville and Mrs. Conklin are sisters of Mrs. Martha T. Forward, owning manager of The Nooks.

## Desert Inn Presents First Dinner Dance Of Season Saturday

Always a source of enjoyment for villagers and visitors, the Desert Inn dinner dances will start off for the new season with an affair in Hallowe'en motif tomorrow (Saturday) night. Decorations and atmosphere will carry out the holiday effect. Besides the excellent dance music of the Inn dance group under the direction of Tomasio, there will be special entertainment.

## Sarah E. Hannahs, Former Resident, Dies at San Jacinto

Resident in Palm Springs for several winters with her brother-in-law, Captain M. I. Hannahs, Mrs. Sarah E. Hannahs passed away at San Jacinto last Monday, her many friends here and at Idyllwild were grieved to learn.

Mrs. Hannahs had resided at Idyllwild for about forty-five years. Her husband died about ten years ago.

Funeral services were held Thursday at Hemet.

## Reservations Are Many for First of Inn's Dinner Dances

Since 1909 one sure indication that another Palm Springs season has begun has been the opening of the Desert Inn. This Saturday for the thirty-third consecutive year the Inn hangs out its "welcome" sign and prepares to play host to world travelers on their winter trips to the desert.

The Desert Inn's calendar of events and activities for the coming season starts off with a dinner dance in the De Anza room Saturday evening. Decorations will be in a fall motif, and a special menu has been planned. Oreste Tomasio and his orchestra and several feature acts will provide the entertainment and music.

**Many Reservations**  
Advance reservations indicate that a large number of Southern Californians will gather at the Inn for the weekend to open up the hotel, as well as many villagers who plan parties for the dinner dance.

Among the larger groups will be that hosted by Mr. and Mrs.

## English Girl To Return Home After Year and Half Here

Loath to leave a sunny Southern California she has learned to love in a year and a half's residence here but joyful over the prospect of seeing her family in London within a month or two, is pretty Peggy Ames, seventeen-year-old English girl.

Miss Ames, whose parents are in London, was sent to Palm Springs to be a guest of Mrs. L. J. Mooney, owner of La Paz guest ranch, by Mrs. Mooney's daughter, Mrs. John McGrath, wife of an R.A.F. ace.

During her residence in Palm Springs the girl has attended part of the time the Ramona Convent at Alhambra with Mrs. Mooney's daughter, Pat Mooney.

Anxious to be reunited with members of her family the young woman is leaving by Southern Pacific train tonight for New York. She will go from there by Clipper on November 6 to Lisbon, Portugal. There she will stay with Mr. and Mrs. A. J. Balfour of the British Embassy until

## Girl Scouts Have Luncheon Meeting

"Youth is our first line of defense and we must do all we can for our young people," was the laconic remark made by Miss Norma Northberg, regional director of Girl Scouts when she addressed the Girl Scout Council at a luncheon Wednesday noon.

Fifteen members were present at the meeting presided over by Commissioner Mrs. John Best.

Mrs. Earl Gibbs, chairman of the Palm Springs branch of the Red Cross, explained how the girls could cooperate in the work of the Red Cross, in their desire to aid national defense.

Miss Katherine Finchy, superintendent of elementary schools,

gave suggestions as to how the Girl Scouts might help in the school safety program.

Mrs. Best announced the plans are well under way to organize a mounted troop. Babs Neel has assumed the responsibility of registering the high school girls who will comprise this group of Senior Scouts and Beth Chase will be the troop leader. The form reported 16 girls have signed up to date.

Mrs. H. E. Patterson was in charge of the luncheon, assisted by Mrs. Horace Pendery, Mrs. Don Lockett, Mrs. Fern Jones and Mrs. James B. Oliver.
